Eastern India Regional Council's happenings

Team EIRC 2021 - 22

Message from Chairman, EIRC

Dear Esteemed Colleagues and Seniors,

This is my first communication to you as Chairman of Eastern India Regional Council. As I begin my role as the 65th Chairman of EIRC of ICAI with all the best wishes and blessings of each and every one of you, I sincerely desire to make a new beginning with a renewed vigour to scale new heights of excellence. Let's take the first step in this journey of thousand miles. This first step which we will take together will make us rededicate ourselves to the cause of the profession.

At the outset I would like to congratulate the newly elected President CA Nihar N. Jambusaria and Vice President CA (Dr.) Debashis Mitra as the highest torch bearers of the CA profession for the year 2021 – 22. At the same time I also congratulate all newly elected Office Bearers of all Branches of EIRC of ICAI.

It is indeed an honour to serve as the Chairman of this august body. When I look back at the illustrious history of EIRC and the Chairmen who have served the Council with distinction, I feel humbled. I am extremely grateful to all the members, EIRC officials, Branches and Chapters and Study Circles of EIRC and my colleagues in the Regional and Central Council for reposing their faith in me, for leading the forward march of EIRC. My new responsibility is both an opportunity and a challenge. I hope that I will be endowed with your blessings and this will give the support in attaining our collective goals.

I also take this opportunity to congratulate the Regional Council Members and Central Council Members for bringing the glory to Eastern Region by being once again adjudged the Second Best Region of ICAI for the year 2020 – 21. I will be glad to have your support by way of valuable suggestions and inputs in carrying this legacy forward.

Vision 2021 @ EIRC

Our vision this year is to hold VCMs and Seminars on contemporary topics for the benefit of the members. These knowledge gaining programmes will be apt for the members to get themselves tuned with the requirement of the time. The participants will have the opportunity to interact and listen to the frontline speakers of the profession. Apart from the members programmes the students programmes will be aimed in upgrading the soft skills of the students. We will strive to improve the overall infrastructure and quality of services being provided to members and students from EIRC with the optimum use of technology. Our priorities will be i) creating more professional opportunities for members in practice and other incidental attention to the members in industry ii) resolving the grievances of members and students arising due to various reasons and iii) improving the quality of theoretical and practical training for students.

The felicitation programme of President ICAI and Vice President ICAI alongwith awarding the Best Branch and Best Students' Association of Branch of EIRC for the year 2020 was held on 26th February 2021 wherein members attended at large. I also express my heartfelt thanks to my colleagues in the Central & Regional Council for their new responsibility in the Council year 2021 – 22.

Regards,

CA Sunil Kumar Sahoo
Chairman, EIRC (2021 – 22)

Message from Chairman, EICASA

Dear Students,

This is my first message to all of you as Chairman of EICASA of EIRC of ICAI. I feel honoured to have been offered with the opportunity of serving as Chairman, EICASA for the term 2021-22.

I aspire to help CA students from Eastern India to be successful, by offering the best possible facilities that would support and help them build a bright future.

I would take this opportunity to congratulate CA. (Dr.) Debashis Mitra, Central Council Member from our region to have been elected as the Vice President of ICAI for the term 2021-22. I would place on record my sincere appreciation and gratitude for his dedicated, selfless and unending service towards our Alma Mater. On behalf of EICASA, I extend my heartfelt wishes to him for his new journey.

I express my sincere appreciation for CA. Sunil Kumar Sahoo, Immediate Past Chairman of EICASA of EIRC for his exemplary leadership and his relentless efforts in guiding and directing his team for providing students with innumerable opportunities through various structured learning programmes to ensure better grip over the subjects.

I am sure you are aware that the EICASA Premier League was recently held on 6th and 7th March, 2021 at KIIT Campus, Bhubaneswar, Odisha. I was elated to witness the team spirit and energy displayed by some of the participating teams at the ground. Cuttack won the championship while Kolkata came runners up.

In the months to come, several workshops, industrial tours and seminars on interpersonal development, soft skills, time management etc. are being planned to be organised with guest faculties of repute. It will be my constant endeavour to organise technologically advanced and goal based programs and activities that would empower you, groom you and up skill you to deal with challenges in future.

To help students hone up their technical skills, we have decided to hold many Full Day programs from April, 21. We will start with a series of GST seminars on Sundays from 3rd April. Further, we shall also hold at least one half day Seminar every month on different subjects of interest for students.

Lack of soft skills has been an area of concern for our profession. To help students develop their communication and soft skills, we have decided to hold a Speaker's forum every month starting from 14th March, 21.

All work and no play makes the life of students boring. So how can we not think of more sports and recreational activities after EPL? Hence a full day outdoor games competition shall be held on 21st March, 21 for you all. Further, Youth Fest shall be held on 19th & 20th of June, 21.

My dear students, it's been a long time since a congregation of accounting students from India and abroad was held at Kolkata. Hence, I feel time is ripe to hold an International CA Students Conference at Kolkata. It shall be held during mid of July 21. Details will be shared soon.

I would advise you to keep a regular track of events that are uploaded at our website www.eirc-icai.org in order to be aware of the programmes that are scheduled to be conducted in the forthcoming months. We shall also be giving details of programs in the monthly e newsletter. Your enthusiasm, support and whole hearted participation in all the future initiatives would definitely help in making every program successful.

My dear students, always remember, dedication, perseverance, discipline and commitment shows the path to realize your dreams. Every moment counts. The only way to achieve your goal is to believe in yourself and love what you are doing. Make every step that you take valuable.

Wishing you the best of everything.
