Dear Sir,

Hindustan Petroleum Corporation Limited (HPCL) was founded on July 15, 1974, and has since evolved into a formidable force in the Indian energy sector. As a prestigious Maharatna Central Public Sector Enterprise (CPSE), HPCL boasts a rich history of contributing to India's energy security. With a well-established presence, the company has garnered a substantial market share in the country's petroleum industry. HPCL's strengths lie in its comprehensive expertise in both refining and marketing petroleum products, ensuring a reliable supply of fuels and lubricants to meet the diverse energy needs of India's burgeoning population. Committed to innovation and sustainability, HPCL continues to play a pivotal role in shaping the nation's energy landscape.

HPCL has a strong presence in downstream hydrocarbon sector of the country with over 18% share in petroleum product marketing and also has business footprints across other energy verticals & various overseas geographies. During 2023-24, HPCL standalone recorded gross sales of Rs. 4,59,815.32 Crore and Profit after Tax (PAT) of Rs.14693 Crores.

HPCL owns and operates refineries at Mumbai & Visakhapatnam with designed capacities of 7.5 Million Metric Tonnes Per Annum (MMTPA) & 8.3 MMTPA respectively. HPCL also owns the largest Lube Refinery in the country at Mumbai for producing Lube Oil Base Stock with a capacity of 428 TMTA. HPCL holds 48.99% equity stake in JV company, HPCL-Mittal Energy Limited (HMEL) which operates a 11.3 MMTPA capacity refinery at Bathinda (Punjab) and also has 16.96% equity stake in Mangalore Refinery and Petrochemicals Limited (MRPL) which operates a 15 MMTPA capacity refinery at Mangalore (Karnataka). HPCL has the second largest petroleum product pipeline network in India with network length of 3,370 km and supplies petroleum products across the country through a vast marketing network consisting of 68 depots, 42 terminals, 49 LPG bottling plants, 43 aviation fuel stations, 6 lube blending plants, over 15,000 retail outlets, 270 lube distributorships and over 5,800 LPG distributorships.
