APPEAL TO THE ESTEEMED MEMBERS

CA. Sumit Binani, Chairman

It gives me immense pleasure in announcing the most awaited Conference of the Eastern India Regional Council (EIRC) of the Institute of Chartered Accountants of India. It is for the 44th time in the history of EIRC, this Regional Conference is being organized in the city of Joy. The theme of the conference is "CA- The Profession with a WOW".

This Regional Conference is an endeavor to enable professionals maintain and develop competencies, enhance their knowledge, expertise, skill sets for further excelling in their profession. The conference has been intricately designed to provide an insight on the recent happenings in the professional arena coupled with objective of smart learning. Expert speakers from all across the country shall share their experiences on the various tenets of the CA profession. The technical sessions in the conference would deal with the practical and contemporary issues and I am confident that the participants shall experience a fruitful, enlightening and educative experience by joining this momentous occasion.

THEMATIC FOCUS: CA- THE PROCESSION WITH A WOW (WINGS OF WISDOM)

"While accounting is the universal language of modern day business, professional accountants are its lifeline," so goes a saying that aptly applies to present day India too. India is burgeoning with business as well as professional opportunities. This is happening particularly in the backdrop of massive reforms, start-up boom, renewed vigour of small and medium enterprises, technology-induced innovations, push for digital economy and changing business and regulatory landscape with the introduction of Good and Services Tax, IB Code etc. And amidst all these deeply impacting developments that have unfolded a new economic era, it is the calibre and versatility of CAs that is ably driving growth of corporate India and SMEs alike, converting all challenges into opportunities for the organisations they serve.

CAs have been instrumental in the proper and systematic implementation of the policies and reforms and ensuring all the requisite compliances from the stakeholders. Whether involved in their own practice or working in corporate world, CAs have demonstrated that they are the most sought after professionals. Also their increasing participation to the cause of social service over a period of time have established themselves as an indispensable 'must have' professional, an invaluable asset, and a force called "wisdom" to be reckoned which plays a significant role in moving the wheels of prosperity of the businesses, thereby partnering in nation building. This is the WOW factor of our profession.

If one were told to expand the acronym WOW, the most apt description in relation to the CA profession could be the Wheels of Wisdom. If one were to relate it to the emblem of ICAI (eagle), the resultant could be the Wings of Wisdom. Whether it is the majestically spread Wings or the constantly moving giant Wheel, let us all conduct ourselves in a manner that when the world thinks of a CA, the expression should be only "WOW".

ABOUT THE INSTITUTE THE CHARTERED ACCOUNTANTS OF INDIA AND ITS EASTERN INDIA REGIONAL COUNCIL

ICAI is a statutory body established by an Act of Parliament, for regulating the profession of Chartered Accountancy in our country. The institute, functions under the aegis of the MCA, Government of India. The ICAI is the 2nd largest professional body of CAs in the world. Since 1949, the profession has grown by leaps and bounds with around 3,00,000 members and 8,00,000 students as of now. The EIRC of ICAI was constituted in the year 1952 with its jurisdiction on 10 States and 1 Union Territory. Today it has 13 branches, 23 study circles, 7 CPE chapters and 8 study groups. It caters to over 25,000 members and about 90,000 students as on date.
