CHAIRMAN'S MESSAGE

Beloved Esteemed Members and Professional Colleagues,

“Leadership is not about being in charge. It is about being the change you wanted to see when not at the helm”

As the **newly elected 68th Chairman of the Eastern India Regional Council (EIRC) of The Institute of Chartered Accountants of India (ICAI)** am honoured and humbled to address you for the first time.

I convey my heartiest gratitude to the entire Team of EIRC and all of you for bestowing upon me this noble responsibility. As we embark on this new journey, I would insist you all to embrace the initiative of **“WE”** where we all be **united** and **work hand-in-hand** for our **professional development and evolution of our community as a whole**.

I am also looking forward to **work closely** with all the members, students and staffs of EIRC with great zeal and enthusiasm to scale newer highs of success and achievements as the Eastern Region of our ICAI. I assure you of all justice to my responsibility and ensure to uphold the highest standards of our profession.

During this exciting journey, I would call upon every member of EIRC to adopt **Digitization and Artificial Intelligence** for all the professional proceedings. As I always say, *“The Future is Digital, and the Digital is Now”*; we have already stepped into the digital era where we can multiply our productivity using Digital Tools. **If we fail to employ technology in our day-to-day tasks, we are bound to trail behind.**

In the dynamic landscape of Finance, Accounting and Auditing, with Information Technology becoming the enabler; Chartered Accountants are no more mere number crunchers; they are strategic advisors leveraging the power of technology to drive business success. As the custodian of the economy, we all must embrace ourselves in implementing technology and focus on the scope of multi-disciplinary practices.

Moving forward, I convey my earnest gratitude to **CA. Aniket Sunil Talati, Immediate Past President of ICAI** and **CA Debayan Patra, Immediate Past Chairman of EIRC of ICAI**, for their relentless and remarkable efforts in uplifting our profession and our community.

I would like to congratulate the Newly Elected Torch bearers of ICAI and EIRC of ICAI for 2024-25:

CA. Ranjeet Kumar Agarwal – President of ICAI

CA. Charanjot Singh Nanda – Vice President of ICAI

CA. Vishnu Kumar Tulsyan – Vice-Chairman of EIRC and Chairman of EICASA-EIRC of ICAI

CA. Mayur Agrawal – Secretary and Treasurer of EIRC of ICAI

I would also like to convey my hearty thanks for their constant guidance and advice that acts as a support to me:

CA. Debayan Patra – Member and Immediate Past Chairman of EIRC of ICAI

CA. Ravi Kumar Patwa – Member and Past Chairman of EIRC of ICAI

I would now like to share some of my thoughts to build upon the foundation of EIRC of ICAI that has already been strengthened by my predecessors.

WE – Inclusivity and Togetherness (Theme for 2024-25)

Team EIRC of ICAI during the year 2024-25 has come up with “**WE**”, the theme for the year 2024-25 and an initiative to promote **Inclusivity** and **Togetherness** among the members of ICAI from Eastern region.

“**WE**” is a powerful initiative uniting all members of the EIRC of ICAI in a spirit of earnest cooperation and support. “**WE**” aids to “**Working Equally**,” underlining **our commitment** to maintain and uplift the standards of our esteemed community.

“**WE**” advocate that our strength lies in our unity and willingness to extend a helping hand to one another. Whether it is sharing knowledge, offering guidance, or lending a listening ear, “**WE**” shall ensure that no member of EIRC ever feels **alone or unsupported**.

Together, “**WE**,” aim to foster a culture of solidarity, camaraderie and growth among the professional fraternity and beyond. Let's join hands together, support each other, and strive for excellence together, because when we work together, there's no limit to what “**WE**” can achieve.

Chartered Accountants’ Benevolent Fund (Target ₹ 75 Lakhs by 22nd August 2024)

As “**WE**” converge for our professional development, “**WE**” are also concerned about the personal benefits of our members—their families and relationships. This has motivated us to come up with an initiative to raise a sum of ₹ 75,00,000 (Seventy-Five Lakh Indian Rupees) from the members of EIRC of ICAI for the Benevolent Fund of Chartered Accountants i.e., CABF. We look forward to successfully conclude with this drive by 22nd day of August 2024.

Digitize to Succeed – Empowering Tomorrow

In today's fast-paced milieu, the role of Chartered Accountants goes beyond traditional Financial Reporting. It now embraces leveraging **Technology** and **Artificial Intelligence (AI)** to enhance efficiency, accuracy, and overall effectiveness of our analysis and deliverables in our professional capacity. Moreover, we need to implement “**Multi-Disciplinary Practices**” in our daily workflow and aspire to become a “**One Stop Solution**” for our clients.

With this vision, EIRC of ICAI organizes numerous seminars and workshops for the members' enrichment. Team EIRC is also optimistic about signing of MoUs with various software providers for the benefit of the members. Recently, **we have signed an MoU with CTracker - A Compliance Management Software** (<https://www.ctracker.in/>), that would provide its access to the members at a discounted price. By **automating** our regular practice, we can revolutionize how we serve our clients and manage our professional assignments. From streamlining data entry to advanced analytics, automation will provide deeper insights through advanced algorithms. Thus, Technology helps us stay ahead in the curve of this highly professional ecosystem.

Moreover, by implementing Tech-Tools and AI-driven Solutions, we can augment our ecosystem, reduce human errors and offer a broader spectrum of values added to our clients. This not only enhance clients' satisfaction but also boosts our own professional growth and reputation.
