Message from Chairman, EIRC

Dear Professional Colleagues,

The intangible contribution of our professional fraternity towards our nation is beyond replication and comparison. The multiplicity of amendments in the governing laws, rules and regulations require strict legal compliance for the successful enforcement of the same. Further the rapid pace of transformations in digital technology requires the fraternity to establish acquaintance with it. For building future ready professionals, we shall be unfurling a plethora of specialized events in the coming months, emphasizing on dissemination of information having professional relevance, aimed at optimizing their knowledge and skills. Our endeavors under 3I mission powered by the aspiration to uphold Brand CA, shall undauntedly progress to make each and every professional well equipped to favorably decode every complication without compromising with the quality of service.

For celebrating Ideas for future, ICAI will be hosting the 21st World Congress of Accountants 2022, scheduled to be held on November 18th-21st, 2022 at Jio World Centre, Mumbai. The event will be attended by global accountants in practice and industry, global accounting bodies, eminent economists, regulators and standard setters. It shall be providing an exceptional platform to delegates for interaction, networking and gaining valuable insights from world leaders on probabilistic seismic shifts in profession emphasizing on digital era transformations for securing resilience and sustainability in future. It is the first time ever that ICAI has got the honour and privilege of hosting the World Congress in India and being a part of this Mega event will be a lifetime opportunity for each one of us and hence should not be missed.

It was a pleasure and privilege to attend the State Level Conference on Investor Education and Awareness at Guwahati last month which witnessed a participation of nearly a thousand delegates including school and college students. The event was inaugurated by Honourable Governor of Assam, in the presence of our President CA. (Dr.) Debashis Mitra and was graced by several other dignitaries. His Excellency, Shri. Jagdish Mukhi highly appreciated the role of our Institute in nation building. The event was successfully hosted by Guwahati Branch, EIRC of ICAI. The programme focussed on enhancing financial markets literacy amongst prospective investors in the States of North East.

With the State revenue departments stepping up collection of professional tax including arrears, Chartered Accountant firms and Individual Practitioners/Professionals are requested to register with the respective State professional tax departments, if they are yet to register. Further, to apprise the professional fraternity regarding tax obligations, litigations and related consequences and penalties, a webinar has been planned to be organized soon in which officers from the department will also be present. After that, a Professional Tax Mela is planned to be held in the month of June, 2022 for members in West Bengal to provide needful support for registering themselves/ their firms with the Department.

As we all are aware, provisional empanelment of CA Firms for the year 2022-23 along with provisional points has been hosted at the official website of Comptroller and Auditor General of India at www.care.cag.gov.in. Applicant firms may send their complaints, queries, if any, through email at sao2ca5@cag.gov.in by May 17th, 2022.

In our effort to provide continuous professional education to our members, technical sessions on important topics are scheduled through the next one month. Recent Supreme Court decision on Income Tax invoking Clause 142 of the Constitution of India has created widespread debates among professionals. We have already conducted a VCM on this matter and have scheduled another physical session next week. A full day physical workshop under the aegis of Accounting and Auditing Standards Board is scheduled for 27th and an Information Technology workshop is scheduled for 28th of May. Many other CPE programs are scheduled covering GST, FEMA, School Audit, Corporate Laws and Audit etc. An Interactive session on “Opportunities in practice for Chartered Accountants & How to take your Practice to next level” is lined up for the last week of May. Further, a two day Corporate Law National Conference will be organized on June 10th and 11th, 2022 to offer an elevated experience to the professionals on significant matters regarding Companies Act, 2013 including insights on case studies, FAQs and Mock trials simulating NCLT proceedings.

Dear member, new technologies, such as block chain, robotics process automation (RPA) and artificial intelligence (AI) will be offering a new era of visibility into transactional data which will unlock value, help manage risk, improve efficiency and provide critical business insights. The evolution of technology driven business processes will be creating a significant shift in expectations in terms of service from the professionals. For improving and ensuring professional sustainability in the ongoing scenario, both quality of service and technology have to be more robust and agile to manage the key digital footprints.

We assure you that we shall consistently invest our efforts with sincerity and dedication to catalyse effective communication between the professional and latest developments, emerging trends and implications arising with progress of time.

Thanking You,

Regards.

CA. Ravi Kr. Patwa
Chairman EIRC (2022 - 23)

Message from Chairman, EICASA

Dear Students,

You all must take benefit of the various facilities that the ICAI is providing to you not only to gain knowledge but to also develop yourself as a true professional.

I will suggest you to visit <https://cloudcampus.icai.org/> which is the official site for the ICAI Cloud Campus. The ICAI Cloud Campus provides next generation interactive learning management system for CA students. It hosts E-learning, E-books, Webcasts, real-time online mentoring to students and more. It enables anywhere and anytime learning for our students. It has been designed to address all major challenges of content delivery and learning activities. It aims to address the need of next generation accountants. It is one step shop for our students to access various services of ICAI.

Let me inform that the EICASA of EIRC of ICAI would be hosting its biggest annual event on 16th & 17th July, 2022. The Students National Conference will consist of various Technical, Motivational and Interactive Sessions which every student should attend. It will be a great opportunity to learn, get motivated and to network with students from all around the country.

I would request the ones appearing for the Exams this month to toil hard for the examinations so that you can smile when the results are declared.

I congratulate Ms. Unnati Kotecha, Mr. Swagat Subudhi, Ms. Shraddha Lahoti and Mr. Rishabh Sharma for getting selected to represent the EICASA at the National level Elocution Contest to be held on 8th June in New Delhi.

EICASA will also come up with various other Seminars, Workshops, Motivational Sessions, Industrial Visits, Sports Meets, etc. Please keep a regular track of events at www.eirc-icai.org, <https://bosactivities.icai.org/> and participate.

You can achieve all your dreams through dedication, commitment, discipline, perseverance, passion and most importantly by believing in yourself.

Wish your dreams come true.

CA. Debayan Patra
Chairman EICASA (2022 - 23) &
Vice Chairman EIRC (2022 - 23)
