Message from Chairman, EICASA

My Dear Students,

I would like to take this opportunity to convey my warmest thoughts for all of you in such unprecedented times, where each one of us is facing significant challenges due to the pandemic. Whatever the future may bring, we shall build a strong and resilient foundation by consistently adapting, engaging and evolving with an ardent underlying spirit aiming at value creation. We now live in a world where there are numerous possibilities for creating synergies that enable us to permeate our ways of thinking in getting things done. In such simplified and digitized ecosystem which provides hassle free access to resources, let us grab the opportunities in hand and accelerate our efforts for realizing our dreams.

In the month of July, a very interesting event “Tour of MCA Site” was organized which gave an opportunity to visit the MCA portal and learn about its working and the varied corporate services offered by it. CA examinations were also held in July and I am sure that with your hard work, dedication, perseverance, support from teachers and blessings of parents & seniors, you shall sweep through with flying colours.

With great pleasure, I would like to share with all of you that a series of IND AS programs have been planned for the month of August, 2021. Your participation in such programs will positively help in enhancing your understanding and improve clarity on such standards. The dates of the programs shall soon be notified to you. Further, the Annual Talent Search-Elocution and Quiz Contests, 2021 has been conducted at the various branches of the Eastern Region in the last few days. The Regional level Contest shall be held on August 15th, Sunday at EIRC Premises.

Dear students, what you are doing now is focusing on putting efforts to acquire and expand your knowledge so as to justifiably create promising days ahead. All we have is “Now”. Remember, success is never a straight line. A little progress each day adds up to big results later. Keep progressing. Keep working on your dreams.

If you can dream it, you can do it!

Best wishes always.

Stay safe. Take Care.

**CA Ravi Kumar Patwa,
Vice Chairman EIRC & Chairman EICASA (2021 – 22)**
