INDEPENDENCE DAY

— 15 AUGUST —

Message from Chairman, EIRC

Dear Member,

On this auspicious festival of Azadi ka Amrit Mahotsav, with our Motherland completing 75 years of Independence today, I would like to take this opportunity to convey my best wishes to you and wish that our country keeps on achieving glory through manifold accomplishments in the years to come. When we think of the era of British rule where millions of people were fighting for Independent India, it becomes even more significant and inspiring to leap forward in fulfilling our dreams and duties towards our motherland. It remains the fundamental responsibility of each one of us to strengthen the reins of independence, objectivity and skepticism. To pay our homage to the people who sacrificed their lives and gifted us independence, let us pledge to serve our nation with pride creating indelible memories in the glorious journey towards self-reliant India.

It gives me immense pleasure to share with you that the two day Students National Conference held on 16th & 17th July was widely participated by nearly 1200 CA students with great enthusiasm and high spirits. Fourteen paper presenters from all over the country enthralled the packed audience with their presentations on Information Technology, Audit, GST, Income Tax and Corporate Laws. Panel discussion on Start Ups - journey to Unicorn was a grand success. Motivational sessions by three times World Kettlebell Champion CA Shivani Agarwalla, Co-Founder of India's maiden Prime Volleyball League Champions Kolkata Thunderbolts CA Pawan Patodia and Past Council member CA Atul Bheda were highlights of the conference. My heartiest congratulations to CA Debayan Patra, Chairman EICASA and the entire Managing Committee of EICASA for their dedication, commitment and concerted efforts in making the conference an enriching and memorable one for all the attendees.

For fuelling professional growth, extending visibility and improving client services using digital technology, Information Technology Conference "Digital Success" was held on 23rd July at Kolkata. The delegates got the opportunity to hear from core representatives of top CA firms of India on how adapting technology had helped them accelerate their professional growth.

Honourable President, ICAI, CA (Dr.) Debashis Mitra and Team EIRC were felicitated by Asansol, Raniganj and Durgapur branches at a jointly organised felicitation ceremony held on 7th August, 2022 at Asansol. At the ceremony, Honourable President Sir, while speaking about development at ICAI, also spoke about the achievements in propelling sustainability drive, which the audience applauded with great enthusiasm.

In an endeavour to enhance Investor awareness on stock markets, a seminar was organised on Independence Day for members where eminent Financial Planner, Entrepreneur and Film Actor CA Siddhartha Chatterjee enlightened the gathering on "Independence in Financial Planning".

To disseminate information on relevant topics and latest developments in the revival mechanism of entities as well as to provide an opportunity to interact with IBC experts, a seminar on Insolvency Bankruptcy Code, is being organized on 20th August, 2022. On 17th September, 2022 a workshop on valuation has been planned to be organized for examining and extracting more clarity and understanding

about the various valuation methodologies in normal and special scenarios essential for upskilling valuation professionals.

In this tough competitive world, career counselling is of utmost importance for students as it facilitates them to gain focus on the right career path. With the aim of providing informed guidance to the students of Commerce, a mega Career Counselling Programme has been scheduled to be held on 18th August, 2022. It is expected to be attended by more than 1000 students from various schools and colleges across the State of West Bengal.

On 16th September, 2022 a Finance Conclave “YIFI-Driving Sustainability” has been scheduled to be held in collaboration with Young Indians, Kolkata Chapter of Confederation of Indian Industries. The Conclave will be providing a unique platform of learning in finance and technology from carefully curated, crisp and interactive knowledge sessions. Do not miss the opportunity of engaging with the ecosystem of eminent Indian Industrialists, New Age Entrepreneurs and Finance experts.

I am glad to share with you that Guwahati Branch, EIRC of ICAI, will be hosting a Two-day Sub-Regional Conference at the historic Upper Assam city of Jorhat on 21st and 22nd August, 2022. Similarly, Rourkela Branch jointly with Cuttack Branch will be hosting a Sub Regional Conference on 26th & 27th August, 2022 at Rourkela, the Steel City of Odisha.

With utmost pleasure, I would like to inform you that the 47th Regional Conference of EIRC is going to be held on 23rd & 24th December, 2022 at Biswa Bangla Auditorium. The two-day conference shall feature several knowledge sessions showcasing transformative ways for professional empowerment and key ways for diversifying professional endeavours which will help enhance the skills of members towards sustainable professional development. Please be informed that the early bird registration for the conference has already started. To avail the benefit of early bird registration, kindly click on the link <https://eirc-icai.org/event-details.php?EircstrID=NTc1Ny4wNjc0MTU3MzAz>

My dear member, independence is one of the most important attributes of our profession. Much criticism has been levied against the audit profession in the recent years due to crescendo of grievances owing to the size of financial scams committed by a handful of wrong doers. While a range of transformational developments would need attention of professionals, the importance of independent audit with integrity, objectivity and competence is a proven vector for reinvigorating public trust in financial reporting. Holding on to the reins of professional independence, let us imbibe quality control and enhancement as a constantly evolving goal.

Regards.

CA. Ravi Kr. Patwa
Chairman EIRC (2022 – 23)
