

EIRC eNEWSLETTER - Volume 48 Issue 5 15th July 2022  
The Institute of Chartered Accountants of India  
(Set up by an Act of Parliament)

Eastern India Regional Council's

# happenings

**Message from Chairman, EIRC**

Dear Professional Colleague,

Strategic thought process and structuring the firm's matrix with built-in flexibility to embrace challenges is critical for delivering enhanced value in dynamic and transformative business environments. The standard blueprint of a firm's optimal structure necessitates galvanizing it with agility, technology and skilled workforce. This will ensure in aligning the younger generation in effectively building up strategies and setting up priorities, methodologies, policies and procedures with real time insights for adopting best practices.

With immense pleasure, I would like to share with you that the CA Students' National Conference will be organized on 16th July & 17th July at Kalamandir, Kolkata on physical mode after a span of three long years. I am sure that the deliberations by eminent resource persons at the conference will serve as an exceptional learning platform for the student fraternity and make a meaningful impact on their academic targets and growth prospects. The conference will also be providing opportunity to students for exhibiting their ability of making presentations on topics of their academic curriculum. I request you to encourage your articles and the students known to you, to register and actively participate in the conference and not miss the opportunity of availing countless benefits offered by the event.

For catering to professional development needs and for enhancement of professional expertise, numerous seminars, workshops and the like were conducted during the last one month, both on physical and virtual platform. On 24th June, Joint Audit Conclave was co-hosted with Institute of Internal Auditors, India, Calcutta Chapter at Kolkata, together with other premier professional institutes on the theme "Future of Profession- Adapt, Transform, Innovate". The event was attended by more than 200 professional delegates representing various organizations of our country and Bangladesh. A seminar on International MSME Day was conducted in EIRC premises in recognition of the contribution of MSMEs towards our country's economy and to discuss about the role of Chartered Accountants in the growth and sustainable development of these industries. Recently, Sub-regional conference with the theme "Jagruti" was hosted by Siliguri Branch. The deliberations by eminent speakers at the Conference enlightened the delegates with their valuable guidance and insights, vital for operating in an environment witnessing transformations and challenges. With the aim of updating and imparting clarity on various critical issues related to Goods and Services Tax, a three days Virtual Conclave was conducted from 12th July to 14th July, 2022.

To commemorate the Foundation Day of our Institute and to strengthen the bond within the member fraternity, CA week was celebrated from 28th June to 4th July, 2022. In addition to the various programs, workshops, seminars and multiple well participated competitions, several social activities conducted during the week which included Blood donation camp, Roti on Wheels and visit to Orphanage. With utmost humbleness, I would like to share with you that more than 120 persons donated their blood at the donation camp. Further, various sports and fun-filled activities viz. Cricket, Badminton, Darts, Mini Marathon, Cyclothon and Zumba were organized in Happy CA Zone at ECO Park in which members, students, employees and their families participated with great zeal and enthusiasm. It was indeed a delight watching happy faces of the participants during the fun-filled day. Later during the CA Week, distinguished industrial experts, academicians and eminent faculties deliberated on the topics - Impact of Inflation on Indian Industries and Importance of Green Energy to Industries. The learned panelists and speakers highlighted the reasons of current inflation, the effects of inflation on Indian economy, benefits of renewable energy for sustainable development and the headway made in this regard in our country. I would also like to take this opportunity to thank all the members, students, employees and their families for being a part of CA week celebrations and for making it memorable for all of us.

With immense pleasure and pride, I would like to convey my heartfelt congratulations and best wishes to CA.Shivani Shah for winning Double Gold at Kettlebell World Championship, 2022 at Greece. Her well deserved success at the international competition has once again brought utmost pride and honour to our fraternity and our nation.

On 23rd of July, IT Conference is being organized for enabling members to gain insights on profession-friendly digital solutions that can be implemented in the firm for securing transformations inevitable for achieving future growth. In addition to this, many more value addition programmes on diverse topics of professional interest are being planned for this month, which shall be intimated to you as and when they are finalized.

My dear member, in the long run, evolving technologies will transform the work of professionals, demanding newer ways of providing service deliverables. With innovation and technology taking centre stage, acquiring hands on work experience and requisite skills has become inevitable to thrive in the changing ecosystem. Hence, we have to be proactive about the transformational initiatives for reaping rewards of progress. I strongly believe that the key to change lies within ourselves and its potential of creating possibilities is only limited to our imagination and aspirations.

Regards.

**CA. Ravi Kr. Patwa**  
**Chairman EIRC (2022 – 23)**

### Message from Chairman, EICASA

Dear Students,

This message I am writing to you on the eve of our most coveted event “National Conference 2022”. This flagship event of EICASA of EIRC will be staged tomorrow (16<sup>th</sup> July 2022) at Kalamandir from 10am onwards and will continue next day i.e. 17<sup>th</sup> July till 5pm.

This event is being hosted by EICASA after a span of three years, the last one being held at Vidyamandir in 2019. Honouring the dreams of our students to have an event of their own, EICASA has taken all the pains in organising this prestigious event. The date of this event has been scheduled in a fashion when our students have finished their term end examination and have a free time in hand to engage in knowledge building exercise apart from regular study at home and visiting coaching classes.

These type of Conferences are designed in a manner that knowledge building will be a fun for the attendees. There will be technical sessions on the core areas of Chartered Accountancy like Company Law, GST, Income Tax and Audit & Information Technology. The speakers will be from your community presenting Technical Papers on various subjects. The Session Chairmen and the Judges for the technical session are the experts in their respective fields.

Since our students are hard workers constantly engaged in knowledge upgradation hence to add some relief to their mental stress we have arranged for some motivational sessions wherein we have called speakers like CA. Atul C. Bheda, Independent Director & Chairman, Audit Committee of YES Bank who will be speaking on “SUCCESS HACKS”, Shri K P Narayan, Director, Strategic Alliances, ZOHO Finance Plus to deliver upon “Guide to Becoming a Digital Accountant”, CA. Pawan Patodia, Co-Owner of Kolkata Thunderbolts and the Receipt of Times Visionary Leader Award – 2022 speaking on “CA Professional, Entrepreneur and Beyond”. We have our very own CA. Shivani Shah, four times World Champion in Kettlebell for India sharing her own experience and speaking on “Azadi Ka Amrit Mahotsav” as well. A Panel Discussion has also been arranged on “Start ups – Journey to Unicorn” where panellists like Shri Pradip Chopra, Chairman, PS Group, CA. Vineet Patawari, Co-Founder Stockedge, Shri Suraj Juneja, Founder, Freeflow Ventures will be taking part in the discussion being moderated by CA. Rishi Khator.

The students participating will have the following takeaway like:

<p><b>Certificate of Participation</b>  <b>12 Student CPE Hrs. awarded by SSEB, ICAI</b>  <b>Networking Opportunity</b>  <b>Interacting with Dignitaries &amp; Speakers</b>  <b>Futuristic Knowledge Sessions</b>  <b>Motivational Sessions by Industry Leaders</b></p>	<p><b><i>Elearnmarkets.com</i></b> – A beginner course in Stock Market – <b>STOCK MARKET MADE EASY</b> for Rs. 999 absolute free on Registration in National Conference 2022  <b><i>StockEdge.Com</i></b> – 30 Days free subscription to have hands on experience in Portfolio of Big Investors, Ready made Strategies, Advanced Charting Tool, Thematic Stock Lists, Filtered Mutual Funds, IPO Notes, Edge Reports  <b><i>Monexo</i></b> – Loan to start building Credit Score with ZERO Processing Fees for first loan with Monexo on or before 31<sup>st</sup> July 2022</p>
