Message from Chairman, EIRC

Dear Professional Colleagues,

It is a matter of honour and pride for all of us to have been a part of a professional body having a lineage adorned with strong intellectual heritage. Being one of the largest accounting bodies in the world, we should strive to build on the foundations laid down by our predecessors to attain greater heights of professional excellence and recognition. I firmly believe that our “3I Mission” of Integrity, Independence and Innovation would certainly enlighten our path towards achieving highest standards of quality and commitment and safeguard us from undue criticism that we sometimes face on account of expectation gap.

Over the last several years, there has been an increased focus on how we execute audits and how that serves to improve stakeholders’ trust in businesses. For improving audit quality, firms require to improve their quality control mechanisms. For stronger quality control it is essential to adapt methods and procedures that incentivize firms to think proactively about emerging risks to audit quality. One of the objectives of 3I mission is to strengthen quality control mechanism associated with auditing and financial reporting. This would enable our profession to earn goodwill and provide strength and support in building Brand CA.

Further, I would take this opportunity to convey my best wishes and blessings to Ms.Kinjal Ajmera and Mr.Jatin Poddar for securing AIR-1 and AIR-3 positions respectively in CA Intermediate (New Course) Examinations held in December, 2021 and for keeping the flag flying high for Eastern Region. My heartfelt congratulations to the proud parents as well, for the well-deserved success of their children. In appreciation and recognition of their achievement, the parents of both Ms.Kinjal Ajmera and Mr.Jatin Poddar were felicitated by Team EIRC on 12th March, 2022.

Every year 8th March is celebrated as International Women’s Day all over the world. We at EIRC too celebrated the day for honouring the progress and achievements of women and to raise awareness and encourage inclusion of more women to the list of achievers. On this special occasion, programs were organized in the form of seminar, knowledge session and panel discussion based on the theme “Women Professionals: From Empowerment to Excellence. Further, a Quiz and Extempore Speech Competition was also organized for the participating members.

.On 12th March, 2022, we organized a bank audit seminar, where delegates had extensive discussions on LFAR, Audit of Advances, Expectations of Central Auditors from Branch Auditors and Conduct of Audit in CBS Environment. A Series on Bank Audit is also scheduled to be held from 21st March to 25th March, 2022, where speakers with specialized knowledge and expertise shall offer their insights, opinion and guidance for equipping members with skill sets for troubleshooting needed while performing such audits.

For enhancing the realm of professional opportunities, it is imperative to build healthy industrial relationships. Strong Industrial connect has the potential of expanding the base of professional opportunities which simultaneously helps them to thrive. As a goodwill gesture, Coal India Limited, one of the Maharatna companies of our country had expressed their willingness to play a

friendly cricket match with the members of Eastern India Region. The cricket tournament was organized on 14th March, 2022. Further, a seminar on GST issues in Coal Industry was also organized before the cricket tournament which had the gracious presence of CA. Pramod Agrawal, Chairman, Coal India Limited.

For paying our tribute of respect and honour to Late Shri S. Vaidyanath Aiyar, an illustrious member and Past President of ICAI (1957-59), a memorial lecture on the topic 'The Profession – Present & Future' will be held on 26th March, 2022 which shall be addressed by one of the luminaries of our profession, CA. P. R. Ramesh, Former Director of Deloitte & Touche Assurance & Enterprise Risk Services India Private Limited.

Moving forward with our initiatives, we have planned several programs, seminars and webinars during the coming one month, which shall be notified to you soon.

Dear Members, for building Brand CA, we must own our responsibility to remain relevant. Let us strive to meet the expectations rested upon us by continuing to evolve our professional culture to simultaneously generate higher economic and societal value.

Thanking You,

Regards.
