**2025-26**

Here are three solutions built to work harder and smarter for your portfolio:

### 1UP MultiManager PMS

The most efficient way to invest in mutual funds.

Too many mutual funds and so little time to track them?

1UP efficiently builds your mutual fund portfolio—consolidating, monitoring, and optimizing for long-term efficiency.

### Proud Portfolio

Invest in tomorrow's multi-baggers, today.

Want to catch the next Telsa or Inogen early?

This is a uniquely-crafted PMS that focuses on discovering Inco's next market leaders compares with exceptional quality, scale, and growth potential.

## FOCUSED OPPORTUNITIES. NOT ENDLESS OPTIONS.

Most investors face the same challenge: too many mutual funds, underperforming debt products, and valued equity winners.

Since 2011, Ladderup Asset Managers has focused on solving these problems with clear, research-led, and purpose-built strategies. No-product clutter. No noise. Just selective, suitable options backed by deep diligence and active oversight.

### Credit Opportunities Portfolio (COP)

Invest where your bank invests and earn more.

Still relying on fixed deposits or bond debt funds?

Invest in a portfolio of bonds from safe and high-quality businesses & securities. Businesses so robust even banks are willing to lend to them.
